MakeUp: 87.5% GV | 12.5% AN

Top selling black, homozygous polled purebred bull in Judd Ranch's 2017 bull sale. Calving ease/feed efficient (7.82# ADG) Secret Instinct son. Elite combo of breed leading genetics with Pop A Top on the maternal side (semen sales are closed on both Secret Instinct and Pop A Top). To date, 213 Secret Instinct sons have averaged \$7,297 and 296 Pop A Top sons have averaged \$6,161. Also, 125 sons out of Pop A Top daughters have averaged \$7,331 through the Judd Ranch bull sales. Oklahoma nursed a second calf heifer with a 113 weaning weight ratio coupled with a 110 yearling weight ratio. This cow family is flat loaded with Dam of Merit ancestry.

CCRO Carolina Exclusive 1230Y

Homo Polled

Homo Black

Black PB

Carolina Exclusive 1230Y was the high selling young sire in the 2012 C-Cross Cattle Company production sale to Jumping Cow Gelbvieh and Ridinger Cattle Company. Exclusive has emerged as one of the most popular young sires in the Gelbvieh breed. Carolina Exclusive progeny excel with weaning and yearling performance, muscle and thickness, volume and soundness. His dam CCRO 7309T sold as the high selling female in the C-Cross Cattle Company fall production sale for \$25,000 to Post Rock Cattle Company. His first calf crop had an average birth weight of 85, average 205 adjusted weight of 631 with a 102 weaning ratio and an average 365 adjusted weight of 1236

OGSG Yes Man 523Y

Homo Polled

Homo Black

Black PB

Performance with growth and added carcass. "Yes Man" was possibly the most powerful black purebred to sell from the 2012 Overmiller Gelbvieh Sale. He is long bodied and loose in his design with a massive hip. His sire bred cows 7 years, producing functional females and bulls that grow. It's tough to find this much power in a Homozygous Black and Polled bull.

DLW Wardon 24W of 408**Double Polled****Homo Black****Black PB**

Here is a Black Impact son that is breeding more power, more shape and added extension. We are seeing a lot of performance and muscle shape in his calves at this point. Don't overlook the cow family behind him, DLW 408P is simply the best Bennett Kingpin at Warner Beef after several hundred calves born at the ranch. She has earned her way to the donor pen and her first ET calves remind us why. This may be the Homozygous Black Purebred Bull we all are searching for! Proven calving ease for your heifers.

MCFG The Man 113U

Polled

Black

Black 75%

Performance with growth and added carcass. I would suggest not to use him on larger framed cows. He has worked real well on smaller Angus type females. We have a purebred female out of 113U and a Carolina Fortune daughter that is headed for the donor pen. Her EPD's are equally as good and she is a very moderate 2 year old heifer. She just had an Angus 10X bull calf. He already Looks awesome at 20 days of age.
-Ken Flikkema

ALS Maverick 70T

Homo Polled

Hetero Black

Black PB

Top selling bull in the 2008 Bluegrass Gelbvieh Invitational Sale. Maverick nursed a super, moderate framed, deep ribbed, highly productive 6- year-old dam. The first carcass plus CTR Highlight 066K son on the market with a very limited semen supply on 066K. Highlight 066K daughters really milk and with the combo of Maverick's performance plus dam, expect the Maverick daughters to be maternal plus.

3G Die Cast 637D **Polled** **Black** **Balancer 75%**

3G Die Cast 637D is the 2018 National Champion Gelbvieh Bull that is sired by the two-time National Champion 3G Zip Line. He is a full brother to 3G Bootlegger 439B the 2015 Reserve National Gelbvieh Bull. In fact, Eldon Starr toured the 3G Ranch calf crop in the summer of 2016 and he commented Die Cast was his pick of the calves while still on the side of his 4-time Dam of Merit mother.

JRI Brickyard 254D236 **Homo Polled** **Hetero Black** **Balancer 50%**

Described by many top cowmen as one of the most impressive young Balancer bulls in the breed! Brickyard was the top selling bull in Judd Ranch's 2017 bull sale. Brickyard offers you exceptional phenotype, wide spread birth to growth with an excellent foot and leg structure. His young dam stems from one of the all time great cow families in the breed with Brickyard's grandam, JRI Ms Extra Expsoure 254L53, who has been honored 10 continuous years as a Dam of Merit/Dam of Distinction female.

DLW Redemption 227B

Polled

Red

Balancer 38%

Excellent red Balancer bull to use on heifers. His epd's rank him in the top 2% for CE and BW while still being in the top 25% for growth. He will moderate those big frame cows if you are looking to downsize some females. He is approximately a 5.5 – 6 frame bull with excellent testicular development. He produces moderate calves that exhibit a good amount of muscle expression. The heifer calf pictured here is an excellent representation of the first set of calves produced at Cranview Gelbvieh in 2016.

EGL Lifeline B101

Homo Polled

Homo Black

Balancer 50%

Lifeline was very popular in semen sales for 2016. This homo polled homo black sire has great eye appeal, calving ease for the heifers and still maintains excellent performance. Lifeline was the 2016 NWSS Champion Balancer. This looks like a female producing machine for future generations. Use Lifeline on your heifers with confidence.

DLW Avalanche 045A

Double Polled

Homo Black

Balancer 50%

One of the big Stout, rugged bulls in the offering. Additionally he comes from a young cow that is making her own path as she sold a great full brother last year that was easily in the top 10 of our 2013 sale. Top 15% of the breed for growth and has the power to back it up. If you sell cattle by the pound then find this bull.

BGGR Gravity 803A

Homo Polled

Hetero Black

Balancer 38%

What a breeding opportunity this is. You stack this many great bloodlines into one package and something phenomenal is bound to happen. Gravity's sire, Sandhills the \$42,000 syndicated powerhouse, has taken the breed by storm and this is the first chance to have a piece. While standing on a big sound foot he combines a big top, deep rib in a high performing soft made attractive package. Gravity was bred to turn grass into pounds in a low input environment and boy has he done it, especially in drought conditions! He will surely impact the breed for years to come. He was the 2014 Bull Futurity champion.

AHL Tenderloin

Homo Polled

Black

Balancer 50%

Homo Black and Homo Polled. Tenderloin brings more to the table than most any other bull on a numerical value. He is in the top 25% or higher on almost every measured trait. His CED is in the top 4% and has been successfully been calved to a limited number of heifers. They have outstanding growth and to top it off Tenderloin is one of the best carcass bulls available in A.I. The Tenderloin progeny really excel in phenotype with his first daughter shown winning her class at the National Western Stock Show. Use Tenderloin to improve phenotype and add genotypic values that will improve your herd for years to come.

CTR Sandhills 0065X

Polled

Black

Balancer 50%

Simply the Balancer bull that has taken the Gelbvieh/Banancer breed by storm since he sold for \$42,000 at the 2012 Cedar Top Ranch annual bull sale. Syndicated at the time with no semen sales until now. Sandhills progeny have performed at every level of the beef industry. Steers by Sandhills have topped Superior Livestock Market for 4 years in a row, due to their extreme consistency. Sons and daughters have topped seedstock production sales by all the owners with several selling for 10, 20 and 30 thousand. Commercial bull buyers demand the sons, they add pounds and produce elite female replacements.

Older bull that was brought back after proving himself in a commercial herd. On season of use in registered herd resulted in all birth ratio's below 100 and all yearling ratio's over 100. The cattle are born smaller, have bone and grow especially well. In the commercial herd all the steer progeny by 2 year old heifers made it to the big sort of steers, defining their ability to excel even with a female that may not have as much milk. One could imagine what they would have done if used on cows. Use Front Page 114W to add performance in a low birth weight package. A bull that is what the beef business is all about. A must use sire in 2017!

CTR Tomahawk 3715N **Homo Polled** **Red** **Balancer 50%**

3715 was the top bull in the 03 calf crop. A planned mating of one of the most proven cow lines in the Gelbvieh breed with almost perfect carcass and feedlot data. The sire is also the same on the Red Angus side of the equation with more data yet. Buy the sons with confidence if you sell cattle on a grid or you feed out your cattle in a feedlot. Considered a top sire for ERT's (Economic Relevant Traits).

CTR Traveler 0907K **Homo Polled** **Homo Black** **Balancer 50%**

Transmits, muscling, capacity, fleshing ability at the highest level. Nicknamed "Muscle" for his powerful phenotype. Simply, the most powerful Gelbvieh and/or Balancer bull. Words are not sufficient to describe the cattle. "Muscle" will be around for years to come and a household name among commercial producers wanting Balancers. 0907K cattle excel like no other on IMF scans.

Birch's The Boxer 21D

Homo Polled

Diluter Free

Red PB

The 2016 Reserve National Champion Bull ~ AWB BIRCH'S THE BOXER 21D! We knew from the day he was born he was special. He has carried a striking presence about him from the get go; his length of spine and overall design are immediately eye catching. The Boxer is extremely clean made, totally ideal in his foot structure, exceptionally haired and has unbelievable extension through his neck and skull. He is supple in his movement, has exceptional testicular growth and offers an extremely balanced EPD profile. He has also tested diluter free! Great bulls are backed by great dams and The Boxer's dam is absolutely stunning! She will enter our flush program very soon and

JRI Top Dog 68T14

Homo Polled

Diluter Free

Red PB

"CALVING EASE GENETICS-EXCEPTIONAL GROWTH-FEED EFFICIENCY" 74# BW/848# actual WW off first calf heifer. Awesome low birth to high growth spread. With Top Secret currently off the market, Top Dog could be the next "go to bull", as he is phenotypically similar. He is deep, wide, structurally correct, good moving, and moderate framed (5.9 frame score). This Top Secret son had a 5.64# ADG with a plus 3 marbling score. With current high feed prices, and a need for better performing, easier fleshing cattle, Top Dog is a must for the commercial cattleman.
