**Black PB**

**Homo Polled**

Expect big time performance from this growth and power standout! Bennett was a performance and phenotypic outlier at Knoll Crest Farm, VA- widely known as an elite source of leading Gelbvieh genetics. Ideal to add pounds to any calf crop, and heterosis to commercial herds looking to add to their bottom line.

JRI Secret Link 214D98

Calving ease/powerhouse homozygous black, homozygous polled purebred Secret Instinct son. Secret Instinct is deceased with no semen sold on the open market. To date, 213 Secret Instinct sons have averaged $7,297 through the Judd Ranch bull sales. Secret Link’s incredible dam, JRI Ms Black Secret 214U88, was honored twice as a Dam of Merit female and she is a current 2016 Dam of Distinction. Her first calf is the ever popular calving ease AI sire JRI Marshall 214X2, who posted a 79# birth weight with a 1,273# yearling weight. JRI 214U88’s two oldest daughters, 214Y98 and 214Z98 were both honored as Dam of Merit females in their first year 03/05/2019 EPDs

Blue Moon offers you incredible beef and volume in a structurally correct, wide spread, low birth and performance plus package. If you need to improve teat and udder quality, Blue Moon’s pedigree is loaded with females featuring unmatched mammary systems. Blue Moon’s dam, JRI Ms High Profile 178W62, was honored as a Dam of Merit female in her first year of eligibility and she features a 107 weaning weight ratio coupled with a 104 yearling weight ratio. Blue Moon’s sire, Blue’s Impact, semen is not sold on the open market.

Chief Justice is the Highest Selling Bull ($32,000) in the history of the Genetic Power Bull Sale (Springfield, Missouri).<br> - Purebred Gelbvieh (Homozygous Black, Homozygous Polled)<br> - Geneva Leverage son out of the renowned Gelbvieh donor female, KCF Miss Fortune U490.<br> - Chief Justice attained a 780 pound Weaning Weight and a 1,343 pound Yearling Weight off of a 70 pound Birth Weight. The bull posted a Sale Date scrotal measurement of 45 cm.<br> - Unmatched EPD profile, including top 15 percent for Calving Ease, top 1 percent for Weaning Weight, top 1 percent for Yearling Weight, Profit Index (89.42).

Final Frontier, where calving ease meets performance. Sired by DLW New Frontier 33A ET, the high selling bull in the 2014 Warner Beef Genetics Sale.<br> - Homozygous Black, Homozygous Polled<br> - 74 pounds Birth Weight, 785 pound weaning weight (205 Days); 1,308 pound yearling weight. Elite EPD Profile; Top 15% Calving Ease; Top 1% Weaning Weight; Top 3% Yearling Weight; Top 1% for Feeder Age; Top 1% for Marbling; and Top 1% for Feed Profit Index (89.42).

Top selling black, homozygous polled purebred bull in Judd Ranch’s 2017 bull sale. Calving ease/feed efficient (7.82# ADG) Secret Instinct son. Elite combo of breed leading genetics with Pop A Top on the maternal side (semen sales are closed on both Secret Instinct and Pop A Top). To date, 213 Secret Instinct sons have averaged $7,297 and 296 Pop A Top sons have averaged $6,161. Also, 125 sons out of Pop A Top daughters have averaged $7,331 through the Judd Ranch bull sales. Oklahoma nursed a second calf heifer with a 110 yearling weight ratio. This cow family is flat loaded with Dam of Merit ancestry.
**JKGF Eight Seconds C008**

Introducing JKG Eight Seconds C008 (a/k/a FROST) ... Frost, a Purebred Gelbvieh, is a New Frontier son who attained a 765 pound Weaning Weight and a 1,233 pound Yearling Weight off of a 70 pound Birth Weight. He is Heterozygous Black and Homozygous Polled. The bull possesses a truly elite EPD profile, including top 25 percent for Calving Ease, top 2 percent for Weaning Weight, top 10 percent for Yearling Weight, top 2 percent for Total Maternal, top 2 percent for Yield Grade, top 2 percent for Ribeye Area, and top 1 percent overall for Feeder Profit Index. Frost will be used heavily in our breeding program on both Red & Black females.

**RTRT Great Divide 503C**

2016 Breeders Choice National Futurity Champion purchased by Hojer Ranch in South Dakota. Homozygous Polled and Heterozygous Black that has proven to be a very good calving ease option for heifers and cows. With HILLE X102 and LAZY TV Sam in the pedigree, the calves will come small, but absolutely perform. Great Divide also has an outstanding EPD profile that will allow a lot of flexibility when deciding matings.

JOB Danan Chico 53B
MakeUp: 93.75% GV | 6.25% AN
* Choco is a moderate framed bull that will add volume, eye appeal, sound feet, and a quiet disposition. (Tenderness 4). Incredible EPD package from Calving Ease (TOP 15%) to Growth (TOP 2%) to Stayability (TOP 10%) with great Carcass Value! From a dam with a WW ratio of 106 on 3 calves and a YW ratio of 102 on 2 calves! From an outstanding AI Sire, JOB Danan TD Chico Loco 28Y, a great calving ease sire with growth EPDs in the TOP 4% of the breed! Choco had a WW ratio of 108, a YW ratio of 106, and a Ribeye ratio of 106 (14.07)!

#### Homo Black

- Excellent EPD package from calving to growth to carcass. Scanned a 13.83 REA and a 3.70 IMF. One of the best footed bulls you will find in the country and has a very wide base. Very eye-appealing with a great disposition. Perfect uddered 5 y/o dam (9/9). Semen has already been shipped to Australia and Canada.

#### Homo Polled

- This docile sire has the volume and thickness. Bodacious ranks in the top 3% weaning and top 2% yearling. And he has carcass weight in to top 2% and REA in the top 2%. Pounds pay the bills.

- Homozygous black, homozygous polled three-quarter brother to JKGF Future Investment X037.
- Awesome birth to growth spread off a first calf heifer...78# birth weight/1350# weaning weight.
- Incredible LWHP Sandy 37M cow family.
- Low birth, super growth genetics with excellent carcass merit.

#### CMFS Bodacious 1297Y

- Low birth, super growth genetics with excellent carcass merit.
- Awesome birth to growth spread off a first calf heifer...78# birth weight/1350# weaning weight.
- Incredible LWHP Sandy 37M cow family.
- Low birth, super growth genetics with excellent carcass merit.

### Black 88%

#### Homo Polled

- Introducing a full brother to JRI Secret Instinct 254UL83 whose first 43 sons averaged $6,266 in the 2013 Judd Ranch bull sale (no semen available on Secret Instinct).
- The Secret Instinct daughters feature teat/udder excellence with a surplus of milk.
- Top Gun and Secret Instinct’s dam has already been honored five times as a Dam of Merit female and this cow family is loaded with Dam of Merit/Dam of Distinction genetics.
- Top Gun’s first calf crop looks phenomenal.

### DLGO MC Ransome 103X

- Homozygous black, homozygous polled three-quarter brother to JKGF Future Investment X037.
- Awesome birth to growth spread off a first calf heifer...78# birth weight/1350# weaning weight.
- Incredible LWHP Sandy 37M cow family.
- Low birth, super growth genetics with excellent carcass merit.

### JRI Top Gun 254X822

- Homozygous black, homozygous polled three-quarter brother to JKGF Future Investment X037.
- Awesome birth to growth spread off a first calf heifer...78# birth weight/1350# weaning weight.
- Incredible LWHP Sandy 37M cow family.
- Low birth, super growth genetics with excellent carcass merit.

Page 11
**DCH DCH Hille X102**

Hille has caught the eye of breeders wanting to use purebred Gelbvieh with calving ease. Hille ranks in the top 1% CED, top 4% wean, top 2% yearling and top 1% milk. The pedigree can be an outcross for many breeders.

**DLW Wardon 24W of 408**

Here is a Black Impact son that is breeding more power, more shape and added extension. We are seeing a lot of performance and muscle shape in his calves at this point. Don’t overlook the cow family behind him, DLW 408P is simply the best Bennett Kingpin at Warner Beef after several hundred calves born at the ranch. She has earned her way to the donor pen and her first ET calves remind us why. This may be the Homozygous Black Purebred Bull we all are searching for! Proven calving ease for your heifers.

EXT GOVENOR 3N 708T 512R

**KHR 08W**

KHR 08W’s pedigree is stacked with calving ease/breeder maker genetics and he is definitely passing it on. The 08W progeny feature superb calving ease in that 80 pound range and they come well equipped in the depth of rib department as well. Calving ease/breeder plus genetics and note KHR 08W is among the breed’s Tenderness leaders with +9 Tenderness. 08W is very respectable in carcass traits.

**MCFG The Man 113U**

Performance with growth and added carcass. I would suggest not to use him on larger framed cows. He has worked real well on smaller Angus type females. We have a purebred female out of 113U and a Carolina Fortune daughter that is headed for the donor pen. Her EPD’s are equally as good and she is a very moderate 2 year old heifer. She just had an Angus 10X bull calf. He already Looks awesome at 20 days of age.

-Ken Flikkema

03/05/2019 EPDs

---

**ALS Maverick 70T**

Top selling bull in the 2008 Bluegrass Gelbvieh Invitational Sale. Maverick nursed a super, moderate framed, deep ribbed, highly productive 6-year-old dam. The first carcass plus CTR Highlight 066K son on the market with a very limited semen supply on 066K. Highlight 066K daughters really milk and with the combo of Maverick's performance plus dam, expect the Maverick daughters to be maternal plus.

03/05/2019 EPDs

---

**GGGE 3G Space Cowboy**

Space Cowboy is a proven purebred calving ease sire with built in maternal genetics to make replacements. Space Cowboy sired the 2009 National Reserve Grand Champion female. If you like excellent maternal plus.

Cocoa has continued to be popular in the quality Gelbvieh produced. The 1995 NWSS National Champion Bull has proven to have calving ease, great growth and add eye appeal to any program. This highly proven bull sires muscle, style and correctness. An older bull with traits for carcass along with the extra growth.

**Homo Black**

**GGGE 3G Fort Apache 835F**

3G Fort Apache 835F is a dynamic combination of performance, phenotype and pedigree. On the topside he is by the heavily used AI sire and 2014 National Champion Gelbvieh Bull 3G Zipline 2662 and his beautiful uddered, moderate C-model dam is already proven herself as a consistent producer with her first two calves who ratioed at BW: 2@93 WW: 2@104 YW: 2@106. He has 7 traits that rank in the top 25% of the breed including WW & YW yet still offers the convenience traits of being Homo Polled with a quiet disposition, low birth weight, and double-digit Calving Ease EPD and as the bow on the package he was named the 2019 Reserve National Champion Bull.

Bull Barn Genetics
Homo Black / Homo Polled. Syndicated for $51,000 out of the Champion Pen of 5 Balancers Bulls NWSS 2015.

Balancer 50% Homo Polled Homo Black EGL Barrett B050

MakeUp: 50% GV | 50% AN

This young sire has lots of interest. Excellent in his eye appeal, muscle, and epd’s. Ranks in the top 15% for yield grade, RE, and marbling. Look for his progeny in the upcoming sale season.

Balancer 50% Homo Polled Homo Black EGL Roundhouse B019

MakeUp: 42.96% GV | 56.25% AN | 0.781% XX

Homo Black / Homo Polled. Syndicated for $51,000 out of the Champion Pen of 5 Balancers Bulls NWSS 2015.

Balancer 50% Homo Polled Homo Black KCF Bennett B29

MakeUp: 50% GV | 50% AN

Tremendous individual birth to growth spread. Superb calving ease coupled with top 1% growth, maternal strength and carcass merit. Cow power cow family with his dam and grandam featuring triple digit weaning weight and yearling weight ratios.

Balancer 75% Homo Polled Hetero Black GGGE 3G Bootlegger 439B

MakeUp: 73.43% GV | 26.56% AN

3G Bootlegger 439B was the 2015 Reserve National Champion that is sired by the two-time National Champion 3G Zip Line however more important that his winning history is his success as an outstanding low birth weight sire. His pedigree comes stacked with calving ease and maternal strength and his first calves have come super easy and grow into that practical, productive cattlemen’s kind.

Excellent red Balancer bull to use on heifers. His epd's rank him in the top 2% for CE and BW while still being in the top 25% for growth. He will moderate those big frame cows if you are looking to downsize some females. He is approximately a 5.5 – 6 frame bull with excellent testicular development. He produces moderate calves that exhibit a good amount of muscle expression. The heifer calf pictured here is an excellent representation of the first set of calves produced at Cranview Gelbvieh in 2016.

**DLW Avalanche 045A**

- Double Polled
  - One of the big Stout, rugged bulls in the offering. Additionally he comes from a young cow that is making her own path as she sold a great full brother last year that was easily in the top 10 of our 2013 sale. Top 15% of the breed for growth and has the power to back it up. If you sell cattle by the pound then find this bull.

- Homo Black

**XXB T-Bone 803A**

- Homo Polled
  - JJ Boehler chose T-Bone to be lead off bull for his Pen of Three entry in Denver 2014. T-Bone obviously has eye appeal and structural soundness, but his true attributes are in the Economically Relevant Traits of calving ease, growth, carcass values, and feedlot performance. Top 10% CED, 25% YW, 20% ST, 3% YG, 4% REA, 1% MB, 2% FPI

**BGGR Gravity 803A**

- Homo Polled
  - What a breeding opportunity this is. You stack this many great bloodlines into one package and something phenomenal is bound to happen. Gravity’s sire, Sandhills the $42,000 syndicated powerhouse, has taken the breed by storm and this is the first chance to have a piece. While standing on a big sound foot he combines a big top, deep rib in a high performing soft made attractive package. Gravity was bred to turn grass into pounds in a low input environment and boy has he done it, especially in drought conditions! He will surely impact the breed for years to come. He was the 2014 Bull Futurity champion.

CTR Sandhills 0065X

Simply the Balancer bull that has taken the Gelbvieh/Banancer breed by storm since he sold for $42,000 at the 2012 Cedar Top Ranch annual bull sale. Syndicated at the time with no semen sales until now. Sandhills progeny have performed at every level of the beef industry. Steers by Sandhills have topped Superior Livestock Market for 4 years in a row, due to their extreme consistency. Sons and daughters have topped seedstock production sales by all the owners with several selling for 10, 20 and 30 thousand. Commercial bull buyers demand the sons, they add pounds and produce elite female replacements.

Homozygous polled out of one of the top females in the Sienknecht Cattle Co program. Top 1/3 of the breed for CE, BW, MB, CV and FM. Top 2% for WW and YW. Top 3% for REA. A strong phenotype with the outstanding EPD strength. Use him with confidence on virgin heifers. Daughters should make excellent replacements.
-Randy Sienknecht.

**BGGR Mr Front Page 114W**

Older bull that was brought back after proving himself in a commercial herd. On season of use in registered herd resulted in all birth ratio’s below 100 and all yearling ratio’s over 100. The cattle are born smaller, have bone and grow especially well. In the commercial herd all the steers progeny by 2 year old heifers made it to the big sort of steers, defining their ability to excel even with a female that may not have as much milk. One could imagine what they would have done if used on cows. Use Front Page 114W to add performance in a low birth weight package. A bull that is what the beef business is all about. A must use sire in 2017!

**JOB Danell Turnabout 20W**

- 83 lb. BW. 745 lb. WW. 1274 lb. YW. 37 cm Yearling Scrotal. 6.7 Frame. Moderate framed, homozygous black, homozygous polled Balancer that offers out-cross genetics from Riverbend Mile High. Turnabout is a bull that is in the Top 4% for Marbling EPD, Top 20% for REA, Top 10% for Yield Grade, TOP 10% for FT and ultrasound shows his heifers averaged a 4.10 IMF with an outstanding ratio of 81.8 (.13) on heifers and a 3.90 IMF on his bull calves with a fat ratio of 89 (.22). Put this together with a 9 for Tenderness and he should be your choice for your carcass bull. Out of a female that had a perfect udder.

LAZY TV BEETHOVEN K278  
LAZY TV H406  
BUD 11G  
41K ET  
CEDAR TOP'S TIFFANY

2004 Popular NAILE Grand Champion, Billings, MT. Ten bull calves on 2007 Midland test are all above the group average! The only true outcross HP/HB Balancer bull on the market with proven sire and dam credentials. 77 lb. is the average birth weight on 1st calf heifers. This balancer has with stood the test of time. Still with lower birth and top growth EPD's and is a 3/4 Gelbvieh.
CTR Tomahawk 3715N

3715 was the top bull in the 03 calf crop. A planned mating of one of the most proven cow lines in the Gelbvieh breed with almost perfect carcass and feedlot data. The sire is also the same on the Red Angus side of the equation with more data yet. Buy the sons with confidence if you sell cattle on a grid or you feed out your cattle in a feedlot. Considered a top sire for ERT’s (Economic Relevant Traits).

03/05/2019 EPDs

BTBR Mr Black Cross 3002N ET

Large spread birth to growth. A balancer with good from both worlds. 1/2 interest sold for $21,000 through the Seedstock Plus Program.

03/05/2019 EPDs

JBBO J-Bob 4665M ET

4665M is an awesome 1/2 blood Balancer out of Angus maternal phenom, Right Time, who’s one of the best udder and flesh improvers in the breed. Expect the best of both worlds when you sample 4665M this year.

03/05/2019 EPDs

CTR Traveler 0907K

Transmited, muscling, capacity, fleshing ability at the highest level. Nicknamed “Muscle” for his powerful phenotype. Simply, the most powerful Gelbvieh and/or Balancer bull. Words are not sufficient to describe the cattle. “Muscle” will be around for years to come and a household name among commercial producers wanting Balancers. 0907K cattle excel like no other on IMF scans.

The 2016 Reserve National Champion Bull ~ AWB BIRCH’S THE BOXER 21D! We knew from the day he was born he was special. He has carried a striking presence about him from the get go; his length of spine and overall design are immediately eye catching. The Boxer is extremely clean made, totally ideal in his foot structure, exceptionally supple in his movement, has exceptional testicular growth and offers an extremely balanced EPD profile. He has also tested diluter free! Great bulls are backed by great dams and The Boxer’s dam is absolutely stunning! She will enter our flush program very soon and

Roscoe’s popularity is definitely on the rise with the powerful progeny he’s producing. The beautiful Roscoe daughter photographed above was the high seller red heifer calf on the ’07 Kansas/Nebraska “Pick of the Herds” Female sale. Roscoe’s “JR” grandam IHF Miss Nugget 34U was one of the breed’s all-time great Dam of Distinction producers with unbelievable longevity… 15 natural born calves.

Total outcross for Freedom daughters. Syndicated two years ago as one of the top selling bulls in the breed. Independence is producing low birth weights, quick weight gain and sound/easy fleshing progeny. Excellent combo of flawless phenotype and excellent EPD strength.

Freedom is a calving ease bull that is homozygous polled, diluter free and sires cattle that grow. He continues to sire sale toppers, show winners, and you will be proud to be the owner of a bull, steer, or female that is sired by Freedom. Look at his EPDs - a leader in calving ease, birth weight, growth, gestation and daughter’s calving ease. This dark red bull can be used with confidence!

Leading sire for maternal strength and that all-important daughters stayability trait. One of the most widely used sires in the breed with over 2,300 progeny recorded at the American Gelbvieh Association.
